ABOUT ELEPHONIC AFRICA

Elephonic brings
*aesthetics and
technology* together

Elephonic launched the first mobile phone, the Award winning Katoshe D30, in 2018, which marks the beginning of a journey to explore and pioneer extraordinary technology. Today, Elephonic brings the aesthetics of technology to African consumers through computers, internet services and smart devices.

Client Testimonials

Don't take our word for it – here's what our clients say:

The Elephonic SmartBook Pro is a product one can really be proud of, it is a very light and slim laptop that offer great screen resolution and excellent battery life.

S.N Naukushu
Customer

I've used many laptop brands in the past but there is just something special about the Elephonic SmartBook Pro experience I never got from other laptops.

J. Shilongo
Customer

The day I received my Elephonic SmartBook Pro is a day I will never forget, Opening the package alone was an eventful experience and the design of the laptop is soo sleek and sexy.

F.N Uugwanga
Customer

As a student, I think anyone who does not use an Elephonic SmartBook Pro is depriving himself of Excellence.
